TERMS OF SALE
(ALL BIDDERS PLEASE READ)

Bid by Lot No. and at so much per lot. No lots will be broken.

No Deposit required to place a Bid.

Canadian residents please figure all prices in U.S. funds.

N.C. Residents must pay sales tax.

Prices Realized are one dollar ($1.00)

Buyer will pay postage and insurance. All lots mailed Third Class postage. If you desire Air Mail, state so on your bid sheet.

In case of tir bids, first one received will be awarded the Lot.

I reserve the right to reject any and all bids which, in my judgement, have not been submitted in good faith.

No bids accepted from Minors unless signed by their Parents or Guardian.

All bidders will be notified and remittance for lots purchased will be expected promptly. No new catalogs will be mailed until this is done.

Cannot accept unlimited or buy bids; however, you may bid liberally, as I will buy for you at 10% over next highest bid when conditions permit

Valuations given are approximate Trend or Market prices or Auction Records. Given for assistance of bidders only. Higher or lower price may prevail

All U.S. material is graded by Brown & Dunn method. This does not mean Photograd or any other grading method.

Lots listed in Auction must be satisfactory before Sales are final.

I Guarantee all lots to be as listed and described. However, mail bid sales ARE NOT APPROVAL SALES. LOTS MAY BE RETURNED ONLY IN CASE OF ERROR IN THE LISTING OR GRADING.

I am a full time dealer operating this mail bid sale exclusively.

I have a layaway plan here at home and wish to extend to you this privilege as long as it is not abused. 30% down on lots purchased and 60 days to pay out balance in "Two" even payments. Use it on every auction if you desire. In the event these conditions are not met, your lots will be relisted and sold to pay your balance.

Anyone requesting a catalog will be mailed "One". If you show no interest, your name will be taken from mailing list.

Anyone desiring to receive the Catalogs and Prices Realized, without bidding, may do so by paying $5.00 per twelve issues.

Please use your Zip Code. Have mailed by Zip Code only and got mail through.

Please check bid sheet carefully before mailing. We cannot be responsible for YOUR MISTAKES. We will correct our mistakes.

Due to the large size of catalogs and the large number of bidders, it is impossible to process the late bids until two or three weeks after close of sale.

PLEASE NOTE: In order to be fair to consigners, silver coins will not be sold for less than the current silver bullion value. For example, if dealers are paying 60% over face for silver coins, a dime will not be sold in our sales for less than 16¢. Please remember this when placing your bids. Thank you.

Notes For sale

We barely got these catalogues printed in time to get in the mails before we had to process the winning bids for sale #54. The saying that hasre makes waste is certainly true as witness the somwwhat poor quality of printing done on these catqlogs. Our mimeo machine acted like a Missouri mule and it was not until page 40(we only had 42) before I was able to find the answer. Oh, well,the transportation token collectors will be able to read the catalogue without trouble.

Speaking of transportation tokens, we have a fresh selection on the way and hope they get here in time for sale#56.

Duane Feisel has informed me that his second edition of "Parking Tokens of the World" is ready for the market. It has 264 pages. The price is $10.00. Anyone interested may order the book through us. Just send your order in with your bid sheet or separately if you wish.

Duane also announced that the second edition of "California Trade Tokens Place Names" is also available for $4.00. Duane and Stephen Album are the authors of this book. I have Volume I of this book authored by Album and I would not be without it. I am looking forward to receiving my copy of the second edition. Anyone wishing may order this book through us.

Thank you,
Clarence, Katherine and Danny
